

A BRIEF INTRODUCTION
TO HOLY SPIRIT STUDY CENTRE (1)

— LIBRARY

In order to understand and show concern for China and the Chinese Church, and at the same time consider its responsibility towards them, the Hong Kong Diocese established Holy Spirit Study Centre above the library at Holy Spirit Seminary, Aberdeen. The Centre has been opened since October 1, and the first task was to open a small library which would be a special adjunct to the original Seminary library. The library will specialize in subscribing to or purchasing Chinese and foreign language newspapers and magazines having to do with "Christianity and Contemporary China," thus providing colleagues in the church the opportunity to study them, so that together we can increase our understanding and concern for China and the Chinese Church. Newspapers received by the Centre at the present time are:

明報、人民日報、光明日報、大公報、文匯報、工人日報、中國青年報、星島日報、東方日報、SOUTH CHINA MORNING POST and HONG KONG STANDARD。

After consulting with concerned persons, then we decided to subscribe to the abovementioned magazines. If something important is left out, we hope that people will honestly and sincerely inform us. These magazines are being received continuously, and are displayed in the library. We welcome all our colleagues to come to read them, but because readers are many, we cannot allow them to be taken out. Others who are introduced by our colleagues may also come to the library to read them. Materials can be xeroxed in the main library on the floor below the Study Centre, at the cost of \$0.20 H.K. per page. The Centre's Library is open Monday through Friday from 9:00 A.M. to 12:30 P.M. and from 2:00 P.M. to 6:00 P.M. On Saturdays it is open from 9:00 A.M. to 12:30 P.M. and from 2:00 to 4:00 P.M.
