關於上述的剪報及分類，我們還請各同道注意下列五點：

(一)由於宗教及倫理是我們中心研究的焦點，所以我們盡量詳細地把有關這兩方面的資料剪輯下來。但是，因為宗教與倫理不能脫離現實社會，故此，對於其他方面的資料，我們也依其性質的輕重，作有限度的剪輯。

(二)雖然上述的分類目錄的製訂，曾參考過很多研究中心及有關部門的分類法，但在一段時期後，我們將會檢討它的優劣，且會依照今日中國社會轉變的幅度，作適度的增減或修改。

(三)如惠蒙各同道寄下其他剪報資料，請勿忘註明報章名稱及年月日期，以便查究及引用。

(四)有意參閱這些資料時，請於辦公時間內逕向本中心執行秘書查詢。

(五)為了避免遺失，上述資料只供參閱或複印，不擬外借。

Regarding the above mentioned newsclippings and classification, we would ask our colleagues to note the following five points:

- (1) The focus of the Centre is on religion and ethics in China. So, the clipped and classified materials have been collected to a large extent with these two subjects in mind. However, due to the fact that religion and ethics cannot be separated from the rest of contemporary society in China, we have also been clipping a limited amount of other material according to the importance of their contents.
- (2) In order to compile the above mentioned classification index, we have visited and examined many other study centres' classification systems. After a certain period of time we will evaluate the good and bad points of our system. Moreover, according to the scope of changes in contemporary Chinese society, we will make the necessary additions, subtractions or revisions.
- (3) Should colleagues send us their own clippings, please note the papers' name and the date for the convenience of investigation and quotation.
- (4) For those who are interested in reading and studying these materials, please contact our executive secretary during office hours.
- (5) In order to avoid any loss, the above mentioned materials are not allowed to be taken out. One can read them in the Centre or xerox them.
